

3rd January 2020

Dear Parents,

I apologise for the late communication, but I am sure you will all appreciate that the Governors and I have had to carefully Risk Assess our current situation with regards to keeping staff, learners, and extended families as safe as possible during this Pandemic.

To this extent we will be reducing the number of learners and adults in school during the next two weeks. We will be doing this by having some year groups in school while others work remotely from home. Please see below

Week Beginning Monday 4th January:

Nursery, EYFS, Year 1, Year 3 and Year 5 will be in school for **face-to-face teaching**
Year 2, Year 4 and Year 6 will work **remotely from home on Google Classroom**

Week Beginning Monday 11th January:

Nursery, Year 2, Year 4 and Year 6 will be in school for **face-to-face teaching**
EYFS, Year 1, Year 3 and Year 5 will work **remotely from home**

We will review the situation after the two weeks.

Your child's education and well-being is our main concern but we have to try as a community to keep as safe as possible. Please do not send your child into school if anyone in your household is unwell. Please also do not send your child to school if they are unwell.

If your child is learning from home, then please ensure that they log onto the registration session in the morning. Your class teacher will email you with the time that this will be taking place.

Once again, I thank you for your support and understanding during this difficult time.

Kind regards

Nicole Delamere (Headteacher)
