

Dear Parents and Learners of Year 5 and 6,

The teachers and I are so proud of the way you have come back to school eager to learn but we are especially impressed with how you engaged with your Google Classroom activities – well done!

After the half term break, we are going to be making some changes to which teachers will be teaching which classes. The reason for this is we want to start in the Summer Term to put in place arrangements for Year 5 transitioning into Year 6 and for Year 6 transition into Year 7.

The Year 5 teachers will be **Mr Oates**, **Mrs MacQuarrie** and **Miss Holgate**.

The Year 6 teachers will be **Mrs Hope** and **Mr Boulton**.

As you can see from the above, Year 5 will continue to be split into three classes. The teachers will teach a curriculum that will aim to embed Year 5 skills and also look at the knowledge and skills the learners will need to be acquiring ready for transition into Year 6.

The Year 6 teachers will focus on the main skills that need to be embedded so that the learners will have the knowledge needed to begin their secondary school journey.

Please be reassured that all decisions taken have been with the best interest of our learners in mind as they move forward into two important academic years.

I thank you for your continued support.

Mrs Delamere (Headteacher)

Ruby Anwar (Chair of Governors)
